v.

Dept. of Justice

FILED
IN CLERKS OFFICE

U.S. DISTRICT COURT
DISTRICT OF COLORADO

Habeas Corpus

#1.- I petition the Court for release from prison because my incarceration is in violation of the Constitution.

#2.- Habeas Corpus has been suspended in violation of Article I, §9 because of:

A.) Perjury by the DOJ in # 14-cv-0073 (D. Colo.), docket #18.

B.) The Court's refusal to Rule on: a.) the Perjury by the DOJ; b.) the years of Obstruction by the DOJ; c.) etc.

C.) Criminal violations of 28 USC §351 - §364 and the ICD Rules.

#3.- 28 USC §1915(g) (imminent danger) and Erickson 551 US 89 have been

repealed in violation of the Separation of Powers doctrine because of :

- A.) Perjury by the DOJ in # 14-cv-0073 (D. Colo.); #19-5192 (D.C. Cir.); and # 20-5005 (D.C. Cir.).
- B.) The Court's refusal to Rule on the Perjury by the DOJ.
- C.) The Court's refusal to comply with F.R. Civ.P. #5(d)(4) and the Constitution by filing my "Imminent Danger" complaint. Imminent Danger was acknowledged and I.F.P. was "Granted" in #20-5005 (D.C. Cir.) but the Court refused to file my complaint as requested, see id., "Petition" at Jan. 6, 2020 ("I petition the Court for an Order that forces the USDC (D.D.C.) to file my Imminent Danger complaint that shows a pattern and practice of medical Deliberate Indifference and the falsification of records to conceal the misconduct.").
- D.) Fraud on the Court in #20-5005 (D.C. Cir.) because the Judges "rewrote" my Mandamus Petition, see Order at 9-28-2020 (" He has therefore obtained all of the relief he seeks in his mandamus petition.").

E.) Criminal violations of 28 USC
§ 351 - § 364 and the JCD Rules.

#4. - The DOJ (U.S. Attorney General,
O.I.G., FBI, OPR, and HHS) has
refused to do it's duty as required
by 28 USC § 591 et seq.; Article II,
§ 3; Equal Protection Clause of the
Fifth Amendment; etc.

#5. - Since 2006 the United States
has been involved in censorship and
a cover-up of Constitutional and
Human Rights violations at the Federal
Supermax Prison (USP-Max-ADX), e.g.,
see identical exhibits at :

- a.) # 21-cv-1455 (N.D. Cal.), or
- b.) # 21-cv-10226 (D. MA.), or
- c.) # 21-cv-908 (E.D. NY.), or
- d.) # 21-cv-690 (N.D. GA.).

#6. - I do not have an Administrative,
State, and/or Federal remedy because
of documented criminal conduct by
numerous individuals in the Executive
and Judicial Branches of the U.S.
Government.

#7. - The Constitution, several U.S. Supreme
Court decisions, and numerous federal
statutes clearly state that the violations
committed against me are illegal but I
have been unable to gain access (Process
served in accordance with § 1915(d) and
a decision on the merits) to any State

or Federal Court since 2004.

- #8.- The Court's ex parte "voluntary Cessation" arrangement with the DOJ has only enabled more violations and corruption within the BOP.

Relief

- #9.- I request that Habeas Corpus is restored by addressing the DOJ's Perjury and Obstruction of Justice in #14-cv-0073 (D. Colo.).
- #10.- I request that 28 USC §1915 (a) is restored. I have repeatedly demonstrated imminent danger and criminal conduct by DOJ employees which the Court acknowledged by "Granting" I.F.P. but I have never had meaningful access to any Court. Withholding complaints from the docket with rejection letters from the USDC Clerk are direct violations of F.R.Civ.P. #5(d)(4) and #83; 18 USC §2071 and §2076; Erickson, 551 US 89; and several aspects of the Constitution.
- #11.- I request that the DOJ is Ordered to show cause why it should not be sanctioned for Obstruction of Justice and consistent Perjury in Court since 2006.
- #12.- I request an Order forcing the U.S. Attorney General to comply with

the requirements of 28 USC §§591 et seq.
and Article II, §3 (Take-Care).

#13.- I request meaningful access to a
Court for 15 years of violations and
crimes committed against me in comp-
liance with the Colorado and United
States Constitutions or release from
prison.
